

## Carlea Farms

### 2010 Half Share CSA Membership Agreement

By signing this agreement, I understand that I am making a commitment to the Carlea Farms 2010 CSA program. I understand that I am purchasing an 8 week share of the 2010 harvest from Carlea Farms and nothing more. I understand that in purchasing an 8 week share of the harvest, the amounts and types of produce I receive will vary from week to week and month to month. I agree to share in the rewards and the risks involved in the 2010 growing season with Carlea Farms and other CSA members. I also acknowledge that although Carlea Farms agrees to do everything they can to ensure a bountiful harvest, they cannot control the weather or any other unforeseen influence on the harvest. I understand that once the season has begun, I may not be able to receive any refund of money. I understand that I will receive 8 weeks of produce within a 9 week period, allowing for 1 week of vacation. I am aware that Half Share bags may only be picked up at the Shalom Park location. The farm expects to be notified if I will be unable to pickup my weekly share on the designated day. It is my responsibility to pickup my weekly share during the designated times at the agreed upon location.
